**ABOUT ECOVADIS**

---

EcoVadis provides the leading solution for monitoring sustainability in global supply chains. Using innovative technology and CSR expertise, we strive to engage companies and help them adopt sustainable practices.

**Our Mission**

To reliably assess companies' CSR performance, providing them with comprehensive feedback, benchmarking and tools allowing them to embark upon a journey of continuous improvement.

**Our Expertise**

- Corporate Social Responsibility (CSR): our team of international sustainability experts analyze and crosscheck companies' data (supporting documents, 360° Watch Findings, etc.) in order to create reliable ratings, taking into account each company's industry, size and geographic location.
- Innovative technology: we offer access to web-based solutions, where companies can access the EcoVadis Scorecard and share information. These are highly secure online solutions which guarantee the safety of our users' data.

**Our Methodology**

The EcoVadis methodology is based on international sustainability standards (Global Reporting Initiative, United Nations Global Compact, ISO 26000), and supervised by a scientific committee of CSR and supply chain experts, to ensure reliable third-party CSR assessments.

**Our Users**

- Thousands of companies use the EcoVadis platform every month to respond to CSR assessment requests from customers, set and maintain corrective action plans and centralize CSR-related documents. We currently have 50,000 subscribers, spread across 150 countries and 190 industry sectors.
